Halesowen Swimming Club Celebrates its 40th Birthday in Style

Members past and present from Halesowen Swimming Club celebrated the Club's 40th Birthday with a barbecue and disco on midsummer night. Memorabilia from times gone by was on display and a special cake with an edible version of the Club's crest had been baked specially for the occasion. Bouquets in the Club's colours, blue and yellow, were kindly donated by Fitzies florists and were presented to volunteers past and present for their constant support. The Club was formed in May 1963 at the invitation of Halesowen Borough Council ahead of the opening of Halesowen Swimming Baths in July of that year. The Club has been ever present in the Leisure Centre since then and remains the Centre's single biggest customer. The Club has been successful through the years and has produced competitive swimmers right up to Olympic standard. At the celebrations, current Chairman Duncan Edmonds commented, "The Club has a very rich heritage and is as strong today as it has ever been. It is testimony to the swimmers and volunteers within the Club that on the same day we had swimmers in attendance at the national Schools finals in Sheffield, District Championships in Coventry and the Club hosted the local Primary Schools Swimming Festival at Halesowen Leisure Centre in the afternoon and still found time to celebrate the Club's 40th Birthday! The Club is proud of its roots and, while we run a professional competitive swimming programme, we remain a strong family based Club."

The Club has recently been awarded the Amateur Swimming Association's Swim 21 award and was amongst the first three nationally to achieve this demanding standard and runs the only accredited swimming programme in the locality.
